PrivCo provides global coverage of private companies, PE and VC funders, and M&A activity.

Choose “Investors” from the “Advanced Searches” options on the left.

Enter a keyword to locate the industry sector, and geographically limit the search by choosing a zip code and proximity.

The investor list can be downloaded to a spreadsheet. Many company profiles include contact email addresses and a deal and investment history.

TIP: Create an account using your Kellogg email address. You must be connected via VPN when accessing off campus.
